if you have difficulty breathing!
Most people have light symptoms and do not die! Stay Positive!***

Nota: cuando damos consejos usamos el imperative, o sea el verbo en infinitive (infinitive quiere decir que no agrega nada , ejemplo: USE (use), cuando lo hacemos en negative usamos DON'T + verbo en infinitive, ejemplo: DON'T GO out: NO salgas)

MUST = debes (nos indica obligación) You must + verbo en infinitivo (Debes...)

MUSTN'T = no debes (nos indica prohibición) YOU MUSTN'T + verbo en infinitivo (no debes...)
