1) Read about Jenny.

Hi! I'm Jenny. Today is Sunday and I'm at home, listening to music. Last week I was on holiday on the beach! I had a great time. I swam in the sea and I went out with friends.

School starts tomorrow. At school, my favourite school subject is Science. My best friend is Jack. He's generous and friendly. I've got two brothers and I live with my family in a flat in the city. There is a shopping centre opposite our block. I often go there on Saturdays to look at the shops or see a film. My favourite animal is black and white. It isn't aggressive. It's a bear, but it doesn't hibernate. Can you guess the animal? Yes! It's the panda bear and we must protect it because it's in danger.

Next Friday is my birthday. It's my favourite special day because my friends and grandparents come home and give me presents!
